MARY-FAITH ANDERSON

FROM KENORA,
ONTARIO

"The Millarville Agriculture and Rodeo grounds really grew on us. Our camp hosts there were like fairy godparents and made us feel so welcome. The show Heartland is often filmed here too. It was hard to leave this spot and new friends. The other campgrounds were nice and some had a few amenities but none of the others had the same feel."

"I live in Black Diamond and came to the campground this week. It was the most enjoyable time of our whole summer. I really just wanted to take a moment to express my extreme happiness and gratitude to now know that we have this wonderful place to enjoy, and know we're supporting some real local things! My little boy was able to spend countless hours playing in that creek, while I, mom, got to hear giggles and squeals of joy that melt a mother's heart. You truly are a hidden gem, and we are already talking about a trip back out there. 12 kms. So yeah, just spread the word to anyone who has any sort of part in that, or did any of the volunteering that "I APPRECIATE YOU! You are all wonderful!! We had a super fun summer memory with your help! See you next time!"
