

MRAS RANCH RIDING 2023

MRAS is pleased to roll out the dates for Winter and Spring 2023 so you can mark your calendar!

MRAS Ranch Riding program is a great way to work on your equitation skills with the goal of riding a pattern at the end of the day. Skills will include riding transitions, walk, trot, lope, speed control as well as an exercise that will enhance you and your horse's performance in the pattern. The patterns sometimes include obstacles.

It is open to all levels of horse and rider. It is advisable the horse you are bringing has a reasonable guide, can back up, stop on command, move off your leg and the rider is comfortable at a lope. It is a must that the horse you are bringing is ok with other horses and does not have any known kick out issues.

Any questions or to register please contact Lynn Brunton lynnbrunton@gmail.com 403-651-4301. Once you have registered payment instructions will be sent to you. Payment then confirms your spot.
