# COUNTRY FUN FOR EVERYONE!

The Priddis & Millarville Fair has provided country fun since 1907! Many things have changed over the decades but some things have not. The Fair continues to be the best place in southern Alberta for friendly competition in a variety of bench departments, horsemanship, and livestock handling. Displays, competitions, games, market vendors, make & take activities, and demonstrations all contribute to two days of fun for all ages on the third weekend in August.

This book lists all the ways you can participate as an exhibitor in a multitude of bench classes, 3 horse shows, antique tractor pull, livestock shows for beef cattle, poultry, and sheep. There are always fun competitions - pie eating, watermelon eating, rooster crowing, stick horse, and running races - and so much more. Check the website [MillarvilleRacetrack.com/priddis-millarville-fair/](http://MillarvilleRacetrack.com/priddis-millarville-fair/) to learn about all the other attractions and activities planned for our visitors.

The Millarville Racing & Agricultural Society is your host for this family-oriented event. Welcome to the Fair!

## TIPS FOR EXHIBITORS

- Read the general Fair and department specific rules carefully. Any entry that does not comply with the rules may be disqualified for judging.
- Ensure your entries are clean, neat and presentable. Follow any instructions for presentation given in the Fair Book, including safety equipment.
- Various judging guidelines are used by the Fair and are listed on the MRAS website at [MillarvilleRacetrack.com/priddis-millarville-fair/](http://MillarvilleRacetrack.com/priddis-millarville-fair/) under Judging Information.
- Make sure your exhibit arrives at the exhibit location on time for judging.
- Properly affix tags to each bench exhibit. Display or wear exhibitor tags for livestock and horse departments. Tags for poultry will be affixed to the poultry cages.
- Be open minded. You can't always win, but great satisfaction is derived from showing your work, skill or livestock.
- If you have questions or suggestions for improving the Fair experience, take the time to talk to the Fair organisers.
- If you had fun, consider volunteering at next year's Fair by contacting us at [fair@millarvilleracetrack.com](mailto:fair@millarvilleracetrack.com). Share your experience on Facebook: Priddis & Millarville Fair or Instagram: @thepmfair.

This competition provides an opportunity for animal caretakers to showcase the artistic endeavours of their critters: cattle, sheep, goats, horses, and other four-legged creatures requiring the nutritional supplements of salt/mineral blocks. As the caretakers travel throughout their pastures, this comment is often heard "Hey, did you get a look at that salt block?" Hence, the creation of "pasture art". Judging criteria are based on the two words: "pasture" and "art".
