COUNTRY FUN FOR EVERYONE!

The Millarville Racing & Agricultural Society is your host for this family-oriented event. The Priddis & Millarville Fair has provided country fun since 1907! Many things have changed over the decades but some things have not.

This book lists all the ways you can participate as an exhibitor in a multitude of bench classes, 3 horse shows, antique tractor pull, farm strong games, livestock shows for beef cattle, poultry, rabbits, and sheep. There are always fun competitions - pie eating, watermelon eating, rooster crowing - and so much more. Check the [MRAS website](#) to learn about all the other attractions and activities planned for our visitors for two days of fun for all ages on the third weekend in August.

The Fair has partnered with the Alberta Open Farm Days initiative. This is a collaborative, province-wide, two-day event that gives Albertans an opportunity to understand where their food comes from. Visit [About Alberta Open Farm Days](#) to plan your trip to the Fair and farms in the area that are participating.

Welcome to the Fair!

This competition provides an opportunity for animal caretakers to showcase the artistic endeavours of their critters: cattle, sheep, goats, horses, and other four-legged creatures requiring the nutritional supplements of salt/mineral blocks. As the caretakers travel throughout their pastures, this comment is often heard "Hey, did you get a look at that salt block?" Hence, the creation of "pasture art". Judging criteria are based on the two words: "pasture" and "art".

RULES

1. All entries must be salt blocks licked by cows or other livestock. Wild critter (deer, elk, moose etc.) assistance is permitted and/or encouraged.
2. Human enhancement may result in massive loss of credibility.

RULES

1. Exhibitors are encouraged to refer to **Judging and Exhibiting Standards for Horticultural Shows**. These standards will be used by the Judges and include directions for quantities and display.
2. Entries which do not conform to specifications in the class description will not be judged.
3. Exhibitors may enter two exhibits in the same class if they are of different varieties. If entering a second variety, the name of the variety should be given for both entries.
4. All entries must be locally grown.
5. If you selected the class Blank Tag you must complete all the information on the exhibit tag before submitting it for judging.
6. No restricted, noxious, or nuisance weeds. A list from the Alberta Weed Control Act is available at www.abinvasives.ca (Invasive Species/Plants) and from the Foothills County Agricultural Services Board.

GUIDELINES & TIPS

1. A bouquet is not an arrangement. You collect flowers in the hand and drop them into a vase - do not arrange them in a vase.
2. Gladioli & Dahlias are summer-blooming bulbs unless otherwise noted.
3. Submit the exact number of blooms when specified in the class to avoid disqualification.
4. Please name varieties, if possible.
5. Condition of flowers is very important - they should be very fresh.
6. Six stems means stems are shown, not just the blossom, so that stems set off the blossoms.
7. When entering annual and perennial classes, choose uniform blooms.
8. Containers are judged in display classes only.
