President's Message

As we step into the fall, it truly feels like a season of change and renewal for our Ag Society. The past months have brought growth, adjustments, and fresh energy into the MRAS office, and we are embracing these changes with optimism. With new processes in place and a stronger foundation for moving forward, we look ahead to the coming months with positivity, purpose, and excitement. Our office is a welcoming space, and we encourage all members, volunteers, and community friends to stop in, connect, and be part of the journey as we continue to grow together.

It is a pleasure to officially welcome our new Operations Manager, Cori Thompson, who has already embraced the challenges and opportunities of this role with enthusiasm and dedication. We are also deeply grateful to the many hands that supported the office this summer—especially our summer students, whose energy, hard work, and commitment allowed us to successfully manage our events, programs, and facilities through the busiest time of the year. Their contribution was vital, and we extend to them our heartfelt thanks. Another special Thank you to Suzanne Sills who graciously stepped beyond her role as a board member to serve as one of our temporary operations managers. She provided the support when it was needed most, always with the most sincere best interests of the MRAS! These experiences remind us that connection is at the heart of what we do—building bonds across generations, sharing skills, and working side by side.

In addition, I want to recognize and thank the Maintenance Committee, who stepped in as dedicated volunteers to support our facilities and events until we are able to fill the maintenance staff position. Their commitment reflects the heart of this Society—neighbours helping neighbours, working together for the good of our community. Finally, to all our volunteers who made the season's biggest events possible, from the 120th Anniversary of our Canada Day Races to the Priddis & Millarville Fair, thank you. Your passion, generosity, and hard work ensure these traditions remain strong and vibrant. Together, through connection, service, and shared vision, we celebrate what has been achieved, and together we look forward to all that is yet to come as we head into a new season.

With Gratitude

Natasha

MRAS STAFF INSIGHTS AND ADVENTURES

Hello! My name is Cori, I am pleased to tell you a little bit about myself and how I've come to be at the Millarville Racing and Ag Society as the new Operations Manager!

My Millarville roots run deep - more than 100 years ago. Some of you may remember my great-grandparents, Bill and Ethel Lee; others might remember Bud & Linda Codd, my grandparents. And more yet perhaps know my parents, Bill and Deb Russell.

My whole life has been at Millarville, I grew up here; and taking on this role at MRAS feels like coming home!

I never strayed far but over the last 20 years, I have been out gathering world experience, both personally and professionally.

I graduated from Mount Royal College with a Bachelor of Applied Computer Information Systems and Business. I spent 6 years working for Western Life Assurance Company out of High River in the Business Development department. And I have spent the better part of the last 12 years as an executive member of Atrema Technologies, where I joined the company as the first employee and helped build the company up to the 23-person, multi-million dollar entity it became.

At Atrema, we valued relationships; treating our customers not as a number on a list, but as human beings. We believed in working hard and doing things the right way, thinking outside the box, and at the end of the day, having fun doing what we were doing. There is a synergy with what I have been doing and the values and opportunities I now get to do at MRAS.

The Millarville community is such a special one. I truly believe there is no place like it on earth and I am honoured to represent the Board of Directors, the Employees, the Members, the Volunteers and the community at large that this organization is committed to supporting now and for decades to come!

2025 Priddis & Millarville Fair

By Yvonne Sterrenberg on behalf of the Volunteer Fair Committee

The 2025 Priddis & Millarville Fair was a resounding success, marked by record-breaking attendance and a wonderful experience of community spirit! The weekend had excellent weather.

The Fair was a true intergenerational affair, with both young and old immersing themselves in the experience of exhibiting, volunteering, and attending the Fair.

- 6000 guests on Saturday and 3800 on Sunday (record attendance on both days)
- 1787 ribbons were awarded to celebrate the talents of our 555 exhibitors and competitors
- 367 participants received prize payouts. 27 received over \$100
- The youngest exhibitors were 2 years old. The oldest exhibitor age disclosed at registration was 94.
- Over 320 individuals volunteered their time.

Watch the [Fair page](#) on the website and social media pages for the daily schedules. There are enough differences between the days to make a visit on both Saturday and Sunday worthwhile.

2025 Priddis & Millarville Fair

By Yvonne Sterrenberg on behalf of the Volunteer Fair Committee

There was something for everyone. The hay and straw bale tosses were lots of fun, and the farm chore relay was a new challenge that we offered. Magicans, pie and watermelon eating, an arena full of the amazing exhibits, livestock and equine competitions and shows, stock dog demonstrations, tractor pulls... there was so much to see and do.

The Make & Takes at various locations on the Fair grounds offered opportunities for creativity to flourish. 329 cookies transformed into edible art and over 200 rocks receiving colorful makeovers. The Sheep Creek Weavers and the Adult and Junior Arts & Handicraft Departments shared their expertise with our guests and had activities for our guests too.

Local guilds and organizations came to offer information and expertise: Sheep Creek Weavers, Calgary and District Bee Keepers Association, Alberta Institute for Wildlife Conservation, Stampede City Model A Ford Club, Foothills Model T Club, Agriculture for Life, Priddis & Longview Firefighters, Alberta Community Bat Program, Calgary Amateur Radio Association, Sheep River Library, Valley Neighbours Club, Alberta Birds of Prey Foundation, Ann & Sandy Cross Conservation Area, and the Chinook Llama and Alpaca Club.

The Fair has been part of the Open Farms Days initiative for a second year. We are excited to be part of the Alberta Government Agri-tourism initiative. We believe being part of Open Farm Days is having a positive effect on the attendance to the Fair and surrounding area venues, such as Hartell Homestead and Spirit Hills Winery.

The Farmerettes of Sunny Slope Ranch

Submitted by Marie Nylund – Millarville Historical Society Director

Miss Webber and Mrs. Goppel.

Miss Peter Webber, an English woman, with her companion, Ms. Cullette (Weaver) Goppel, an American divorcee, bought the S 1/2 of Section 31 and the E 1/2 of Section 30 Twp 22 R2 W5 in early 1924. This land is located 1.6 kms east of the junction of Hwy #22 and Hwy 22X on the north side of the highway. They were the first women locally to run a farm and operate machinery along with the men so they were dubbed the Farmerettes. Miss Webber was not her real name as she was the daughter of a well to do London, England member of Parliament. What was learned was she was an expert driver, a good shot, and extremely venturesome and that she had worked for the British Government in Turkey and India. During the war she is supposed to have driven an ambulance in Serbia.

Also, as an author she wrote "The Gilt on the Gingerbread" while on the ranch. (I researched this book and found one book published anonymously in

1925 by Williams and Norgate, London, England. The forward to the book was written by W.L. George a British journalist who wrote several novels and short stories. The book presents an autobiographical "low life" narrative of a "girl wretched from birth" in England.) I cannot help but assume that this book is in fact the one written by the mysterious Miss Webber.

The farmerettes put three hundred acres in crop and when they hit the first good crop Miss Webber went to Calgary and bought a new Fordson tractor and Sawyer-Massey grain separator. To bring it home, she drove the outfit along 9th Avenue to 1st Street East and then west on 8th Avenue to John Irwin's Grocery where a large order (of groceries) was put in the blower. Joe Grisedale, an Englishman who worked briefly for Miss Webber, rode on the back of the outfit all the way. Tractors at the time all had steel wheels and lugs so they were forbidden on Calgary pavement but no one stopped them. This is probably the first and only time a tractor and separator moved along Calgary's 8th Avenue. They finished the trip in the dark by the headlights of a truck. Sometime later, Miss Webber abruptly left for England but returned again and was thought to have lived for a while on the Walker Ranch (West ½ Section 12, Twp 22 R2 W5), Pine Creek area.

Meanwhile, in the fall of 1926, Cullette Goppel married Major Bernard Francis (Bumpy) Rhodes, a wealthy Englishman who held a commission in the British Army in World War I. Bumpy owned the Minnehaha Ranch in Grand Valley near Cochrane. Bumpy and Cullette adopted a son David. About 1930 they moved to Victoria and bought a mansion. Bumpy died at the young age of 47 on June 19th, 1935 at Victoria. Shortly after Bumpy died, Cullette and David left Victoria and moved back to the ranch at Cochrane. David attended Brentwood College on Vancouver Island but spent his vacations at the ranch.

In the late 1930s Cullette went to Tahiti on a vacation and while she was there, she bought a coconut plantation at Papeete, the capital of French Polynesia. Two of her companions Eric Hanner who she had married, and Count von Luckner, (Check out this link for an interesting story of Count von Luckner). Both men were German citizens so the French government revoked Cullette's visa and she had to leave Tahiti. Undaunted, Cullette bought a 50-foot two-masted schooner, the Valkyrie, and she and David, with Eric Hanner as captain and two Tahitian sailors as crew, sailed for Honolulu.

At some point, Cullette met Margot DeCarie, who had been Amelia Earhart's secretary and an admirer of the famous aviator. Cullette, Eric, Margot and David cruised the Pacific Ocean stopping at many small islands in hopes of finding Amelia who had disappeared July 2nd, 1937 when she attempted to be the first woman pilot to circumnavigate the globe accompanied by her navigator Fred Noonan. (In 1971 Margot DeCarie donated over 60 photographs of Amelia Earhart to the International Women's Air and Space Museum). (More interesting information can be found on Margot DeCarie on this link - <https://earharttruth.wordpress.com/tag/margot-decarie/>).

When they reached Honolulu, Cullette had her marriage to Eric Hanner dissolved. She and her son David returned once again to the ranch at Cochrane. David Rhodes managed the Minnehahah Ranch for a while and then joined the Lord Strathcona Horse. He later transferred to the U.S. Army and served in World War II. After David went off to war, Cullette assumed her old name and ran the ranch herself for a while. The ranch was sold in 1947 to Jack Bolton and Cullette moved to Santa Monica, California. The ranch is now called the Anchor X and is owned by Jim Burns.

Death records reveal Cullette's name as Ethel Zora Weaver Rhodes who was born in Oregon on April 6th, 1892, daughter of Hezekiah W. Weaver and Francis Elizabeth (McConnell) Weaver. She passed away on November 15th, 1952 at age 60 and is interred in Evansburg, Indiana. At the time of her death, Cullette was survived by her son Lt. David A. Rhodes of the US Army.

Unfortunately, I could find no further information could be found on Miss Peter Webber and so she remains anonymous.

Honoring One of Millarvilles' Life Members

David Evans

November 14, 1938 - July 17, 2025

David was a third-generation rancher of the original homestead established in 1897 by his grandfather. He was a second-generation volunteer at the Millarville Racing and Agricultural Society, contributing as MRAS Director, Patrol Judge at the Races, and Fair Director. In the 1960's, David raised purebred Appaloosa horses and purebred Charolais cattle and showed these at the Priddis & Millarville Fair. David became a Millarville Racing & Agricultural Life Member in 2004. Our condolences to the family. A celebration of life will be held at a later date.

SIGNS OF AUTUMN WITH THE SHEEP CREEK WEAVERS

The change of seasons is evocative. Whether it's the smell of pumpkin pies baking or the sharp clear Alberta blue sky in contrast with crisp yellow aspen leaves something signals that fall has arrived. For me, it's the moment that I slip on my favourite sweater. It's super soft, cozy, and fits like it was made for me; which it was or at least that's what I always tell myself. I bought it three years ago from the Sheep Creek Weavers Annual Sale. It was hard to decide if I loved the knitted sweater more or the woven shawl. So, I got the sweater and my sister bought the shawl. The tradition of hand-crafted items made by creative women who live in and around our beloved foothills continues Saturday and Sunday October 17 & 18, 2025 in the Hall at the Millarville Racetrack.

The artistry of the guild members includes items from all the conventional fibre art techniques: weaving, knitting, felting, quilting, embroidery, rug hooking and branches out into woven baskets, roving, fleece, dyed locks, and hand-spun yarn from local sheep. I always buy a ticket for the raffle baskets and bid on the items in the silent auction. The best part of the sale is the opportunity to talk to the guild members and hear the story that inspired the creation of the beautiful object that they brought to the sale. If you see me there please say hi. I'll be the one with an arm load of socks, a hat or two, a new scarf, a tea towel, new Christmas ornament, and a special something just for myself chatting in line and admiring what everyone is purchasing.

MRAS EQUINE FACILITIES

Questions about the MRAS Equine Facilities email: ops@mras-track.com.

For memberships email: office@mras-track.com

Hello Equine Members,

The MRAS riding rules, and sign-up sheet have been developed to help our members have a safe and enjoyable time riding while also maintaining our building in good condition.

Riding Rules: These have been created and agreed upon to ensure everyone using the facility remains safe and that our facility can be kept in great condition. Please continue to follow the rules and encourage your fellow riders to follow the rules. Click [HERE](https://www.millarvilleracetrack.com/equine/) for the rules or go to: <https://www.millarvilleracetrack.com/equine/>.

Booking Sheet: Please use the booking sheet when you plan to ride and honor your time. This practice is in place to ensure fair usage of the facility and helps the maintenance team plan when they can be in the arena for maintenance.

Manure: Please continue to clean up after your horses. We know the vast majority of you are excellent at this, but it continues to be a problem.

****LEAVE IT BETTER THAN HOW YOU FOUND IT****

Please respect all riders and clean up after every ride. Sweep the mats, put things back where they belong, dispose of your horse's manure from the arena and parking lot using the forks and transport it to the BLUE BINS (not the garbage can).

Help us take pride in our arena and its use by following the rules that we have in place,

Thank you!

UPCOMING EQUINE ACTIVITIES:

The volunteer members of the MRAS Equine Committee are working hard to bring a variety of clinics and activities to the MRAS riding membership and equine community. Please check the website regularly to see what is available at: www.millarvilleracetrack.com-Equine tab under Upcoming Events.

Meetings are held on the second Tuesday of the month, September to May, at 7:00 p.m. The meetings are held at the Millarville Anglican Church House on Hwy 549.

Hort Club Members were invited to the Oilfields Hospital and Rising Sun Courtyard gardens on Monday August 11. Patty Webb and her band of volunteers have built beautiful and meticulous gardens to grace the property. And Janet Scott had a special thank you and presentation for Patty and her crew.

The Garden Committee continues to look after planters at MRAS and Millarville Community School all summer.

Thank you to everyone that volunteered and entered the Priddis Millarville Fair , August 16 and 17. It was a fantastic event over 2 days. The Millarville racetrack participated in Open Farm Days. This brings a great range of people from the city to the country. Next year the fair is August 15 and 16, 2026 for planning ahead!

Our next meeting is Tuesday September 9, 2025. This will be our potluck so bring something delicious from your garden ! 6:30 pm start.
We will be having a Salute to Our Amazing Volunteers .
Our speaker will be Kathleen from the Foothills County who will talk about weeds in our fields and gardens. We need to know this !

If you are interested in attending any of our presentations, please contact Louise Patterson Bruns (our new President) at louispattersonbruns@gmail.com or at millarvillehorticulturalclub@gmail.com. Whether you are a novice or expert in landscaping or gardening, join our club; \$15/year for singles or \$20/year for a family. Check us out on [Facebook](#) as well .

MILLARVILLE COMMUNITY LIBRARY

Would you?

We are looking for ideas of classes to run in the fall/winter. If you have a suggestion or would like to teach a class, please let Natasha Grusendorf know.

Boquet's

Thank you to everyone who came out for the kid's summer program, it was a great time of crafting, candle making, pool noodle fingers plus counting all of the ducks, dinosaurs, turtles and spiders that came to hang out for the summer too!

Need a read?

"The Miraculous Journey of Edward Tulane" by Kate DiCamillo. "I loved this book because it is full of adventure and while you are reading it, you don't realize how many years have gone by in the book. It is a really sad story but at the same time really good." Abigail, age 10.
